HeadingSecondary Text

Dear Gods and Godess

by root

Posted on 2022-04-22

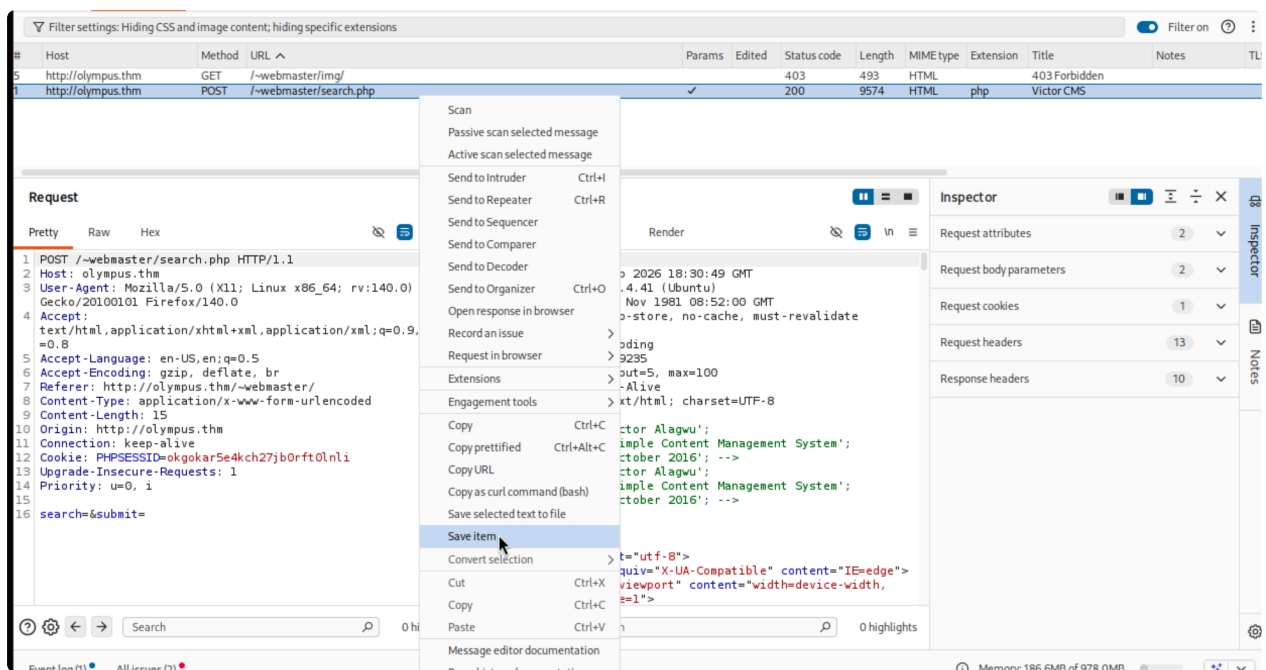

900 * 300

This is the first version of the Olympus website. It should become a platform for each and everyone of you to express their needs and desires. Humans should not be allowed to visit it.

```

You did it, you defeated the gods.
Hope you had fun !

flag{D4mN!.....)_}

PS : Prometheus left a hidden flag, try and find it ! I recommend logging as root over ssh to look for it ;)

(Hint : regex can be usefull)

```

# cd ../../
# cd /etc
# sudo find /etc -type f -exec grep -l 'flag{.*}' {} \; 2>/dev/null
/etc/ssl/private/.b0nus.fl4g
# cat /etc/ssl/private/.b0nus.fl4g
Here is the final flag ! Congrats !

```

```
flag{Y0u_.....}
```

As a reminder, here is a usefull regex :

```
grep -irl flag{
```

Hope you liked the room ;)
